

1 PROPOSALS

Each proposal must be submitted by a Principal Investigator affiliated with an institution located in one of the regions of Legal Amazonia. This PI will be the coordinator of the project team. If the team has more than one researcher based in Legal Amazonia, only one may be chosen to be the coordinator.

- States in Legal Amazonia: Acre (AC), Amapá (AP), Amazonas (AM), Maranhão (MA), Mato Grosso (MT), Pará (PA), Rondônia (RO), Roraima (RR), Tocantins (TO)
- Other participating states: Alagoas (AL), Federal District (DF), Goiás (GO), Mato Grosso do Sul (MS), Paraíba (PB), Paraná (PR), Pernambuco (PE), Rio de Janeiro (RJ), Rio Grande do Sul (RS), São Paulo (SP)

EACH PROPOSAL MUST CONSIST OF:

- ▶ a single research project designed jointly by all the researchers in the team in accordance with the project design criteria set out in item 5.4 of the **Call for Proposals** and the template in **Annex IV** of the Call;
- ▶ Detailed budgets for each state research foundation or FAP (see **Annex II** for each FAP's fundable items and funding lines);
- ▶ A detailed budget for CNPq (see **Annex III** for CNPq's fundable items and rules)

Only researchers affiliated with institutions in Legal Amazonia are eligible for funding from CNPq, and all such applications must be submitted via the project coordinator.

2 SUBMISSION

Each proposal must be submitted once only, by the project coordinator, via CNPq's **Carlos Chagas Platform**.

Applicants should also read **Annex II** of the Call to familiarize themselves with the specific eligibility rules and funding lines of the respective FAPs.

TIMETABLE

Submission deadline: **APRIL 29, 2024**
Results announced: **AUGUST 23, 2024**
Duration of proposals: **up to 36 months**

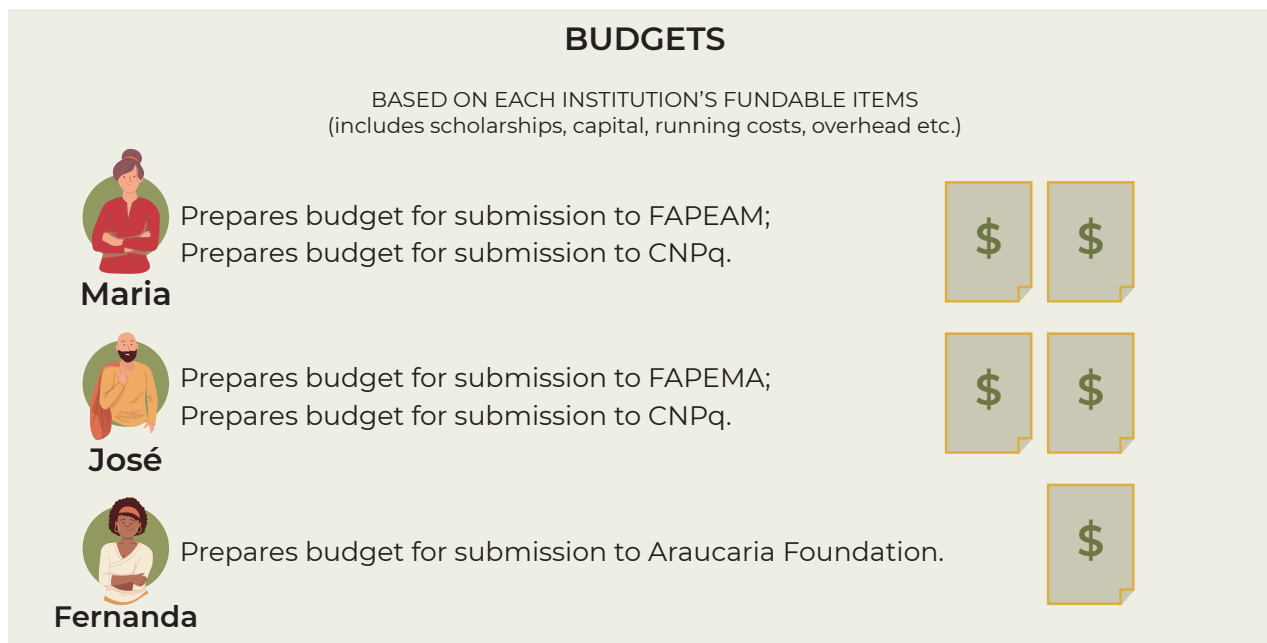

EXAMPLE

Team comprises **two** researchers from Legal Amazonia (Amazonas and Maranhão) plus **one** from a state outside the region (Paraná). Team appoints researcher from Amazonas as project coordinator:

+

The researcher who submits the proposal via the Carlos Chagas Platform must:

- a) Have registered an up-to-date résumé with the Lattes Platform by the deadline for submitting proposals;
- b) Have a PhD;
- c) Be the Principal Investigator for the project for CNPq's purposes;
- d) Be formally affiliated with the institution that will execute the project, which must be located in a state of Legal Amazonia (AM, AC, RO, RR, PA, MA, AP, TO, MT).

The project team must include at least one person (not necessarily the PI) with traditional knowledge relating to the study area, pertaining to Indigenous People, Quilombolas and Traditional Communities (PIQCT in Portuguese). Their inclusion must be mentioned in the research proposal.

3 FUNDING

The PI who submits the proposal to CNPq via the Carlos Chagas Platform will be responsible for receiving and managing the funding received by CNPq, including distribution of funds to the other PIs from Legal Amazonia who have also applied to CNPq for funding.

Each proposal must be for at least BRL 400,000
(total amount from all FAPs involved plus CNPq's contribution).
There will be no upper limit per proposal.

FUNDABLE ITEMS: CALL NOTICE (Annex III)

Researchers from states whose FAPs are not participants in the Call or from other countries may be members of the research team for a project but must provide proof that they have obtained funding of their own for their part in the project.

IMPORTANT: Proposals that involve foreign researchers and/or institutions must comply with all the applicable legislation, including Decree 98,830, dated January 15, 1990.
